At a minimum, the Letter of Intent must include the stated commitment that the parties intend to enter into a mentor-protégé agreement under the NASA Program, that they intend to cooperate in the establishment of a suitable developmental assistance program to meet their respective needs, and that they agree to comply with the obligations in 1819.7215 and all other provisions governing the Program.

1819.7212 OSDBU review and approval process of agreement.

(a) The information specified in 1819.7211(b) is reviewed by the NASA OSDBU. This review will be completed no later than 30 days after receipt by the OSDBU. The OSDBU will provide a copy of the submitted information to the cognizant NASA technical program manager and contracting officer for a parallel review and concurrence.

(b) If OSDBU approves the application, then the mentor

(1) Negotiates an agreement with the protégé; and

(2) Submits an original and two (2) copies of the agreement to the OSDBU for approval by the NASA Mentor-protégé program manager, the NASA technical program manager, and the contracting officer.

Termination of an agreement does not constitute a termination of the subcontract between the mentor and the protégé. A plan for accomplishing the subcontract effort should the agreement be terminated shall be submitted with the agreement as required in NFS 1819.7213(h).
